

Beginning January 1, 2017, Host Home Providers (Independent Contractors) will be responsible for purchasing their own Host Home Liability Insurance.

The company we use is CARE ASSOCIATION & CENTERPOINT INSURANCE GROUP on-line. They are very helpful (303) 333-0375.

Go to: www.careassociation.net

- Hover over the HHP tab
- Click on Online Application Option
- Fill out form (FYI, “consumer” refers to the individual you are hosting)
- Place your email address for a receipt (make 2 copies)

Things you need:

- ✓ Make sure you have the following information:
 - # of individuals you serve
 - # of individuals you serve over 65 years old
 - # of years being a Host Home Provider

- ✓ Credit Card

These are the current rates. If they reevaluate and change to rates, it typically happens around March.

Individuals 18-64 yrs

1 consumer = \$295
2 consumers = \$515
3 consumers = \$745

Once you have purchased your Host Home Liability Insurance, **please give Ariel a copy for our records.**

Thank you, as always, for all you do.

~Your Ariel team
